

Information to Authors

The paper must be written in Word, on papers A4 (cm 21 x cm 29,7).

Text: character Times New Roman 12 p., space 1 between lines, alignments right and left.

Margins: upper 5,7 cm, lower 6 cm, right 4,5 cm, left 4,5 cm (then the text is in a square of cm 12×18).

Formulas (or Table or Figure): the number (label) is aligned to the right margin. 1 vertical space before and after the formula

Equation editor: we can use equation editor only for formulas that are isolated. Do not use equation editor for symbols and short formulas in the texts, because it alters spaces and characters.

Word has all characters, symbols, apices, pedices and so on.

Equation editor is necessary only for very complex formulas.

Title: centered, bold, Times New Roman 18 p.

Author: 14 p, Times New Roman, centered.

After the title and the author we have to write: vertical space, abstract 10 p, max 6 rows, two vertical spaces, title of first paragraph: title bold, 12 p, vertical space, text of first paragraph.

After the last paragraph: two vertical spaces, "References" or "Bibliography", vertical space, numbered list of articles or books.

The paper must be sent by e-mail both in Word and PDF to:
